

FloriGuard – Saving you time and money leaving you and your business to flourish!

Many florists are now taking advantage of the savings that can be had in time and money by arranging cover with both the FloriGuard retail and Van Cover policies. FloriGuard offers exclusive protection for professional florists through their bespoke insurance schemes specifically designed by Bridge Insurance Brokers.

In addition to the commercial policies, the team at FloriGuard have also introduced their Bridge Bespoke Home cover, a personal household policy through Royal & Sun Alliance Insurance Plc offering wide ranging cover at competitive premiums for all florists and florist employees.

Jason Duncan, one of FloriGuard's Sales consultants said: "the majority of florists I speak to have heard of our FloriGuard retail scheme and are very happy with the service and premiums we offer. A lot of the time, when I combine the quotation for the shop with their van insurance they are over the moon with the savings we have made them and the high level of cover they receive."

Jason continued: "Providing a good policy, a service that understands the profession and competitive premiums makes my job a lot easier and gives the Client confidence to recommend us to others"

With this in mind, FloriGuard has recently started asking Clients for feedback and publishing testimonials on their website, www.floriguard.com, reinforcing that with the British Florist Association Endorsement and good customer feedback, they really are the home of Florist Insurance.

Obtaining a quotation or arranging cover is a quick and simple process with Jason or one of the FloriGuard team on 0845 313 9871. Alternatively enquiries can be made through the website www.floriguard.com.
